# Extensive Clothing Collection

Ideal for Uniforms, Hospitality Wear and Schools.

Shirts • Jackets • Polos

**F**ashion Biz Canada is a subsidiary of Fashion Biz International (asi/00000), the leading supplier of wearables in Australia and New Zealand. The company's collections feature polo and dress shirts, jackets, sweaters, dress and work pants, and skirts and capri pants.

"Our collections colour-match across categories and we stock all colours and sizes in oversized garments," says George Cooper, national sales man-

**" Garments are manufactured to offer the wearer quality of fabric, fit and longevity of use "**

ager for Canada, referring to 5XL sizing for men and 3XL for women, all with no surcharges. The women's woven shirts and polos are available in up to 11 blouse sizes, sizes 2 to 20 for a more exacting fit.

Fashion Biz Canada's extensive in-stock Biz Collection styles work well for uniforms, hospitality and corporate wear, teams and schools, Cooper points out. The company will expand the collection with

the introduction of the Geneva Jacket, "a two-toned soft shell available in four colours and at a price that will appeal to most," Cooper says. "We will also launch a well-priced, 100 percent micro polyester, breathable and wicking tee and polo. Both the Sprint Polo and Sprint Tee will be available for men, women and children in eight colours."

Other new clothing items will include Berlin and Chevron

fashionable executive dress shirts, a full Hype Hoody and a full-zip, two-toned United Hoody that will coordinate with the United Polo.

"All Biz Collection garments are manufactured to offer the wearer quality of fabric, fit and longevity of use," Cooper says.
